Student Feedback for Curriculum & Teaching-Learning Aspect

Session 2022-2023

SCIENCE COLLEGE, KOKRAJHAR

KOKRAJHAR, BTR, ASSAM

Introduction:

To ensure the quality of effective curriculum delivery and teaching-learning, Science College, Kokrajhar had collected the annual feedback on Curriculum & Teaching-Learning aspects from the students of Sem-V for the session 2022-2023.

Objective of taking Feedback:

The practice of taking feedback is an essential part of teaching learning and curriculum delivery process of an institution. This process helps the Institution to maximize their potential at different stages of teaching and learning, rise their awareness on the strengths and weaknesses for the improvement of the Institution. The feedback from different stakeholder, help the institute to understand the need of student fraternity and what other stakeholder expect from the institution. Based on the feedbacks received from the different stakeholders, the Institution can take effective measures to improve performance.

Methodology:

To ensure transparency in the feedback collection, the college has an online feedback system on Curriculum & Teaching-Learning aspects in five-point scale viz. Excellent, Very Good, Satisfactory and Unsatisfactory. Accordingly, the IQAC sent a link for submitting the feedback to the students and the students were asked to submit their feedback. The link of the feedback is given below.

Online Feedback link: https://forms.gle/wLAv7QMnT6Zjagnk6

In the online Feedback form, the students are asked to give their feedback on Curriculum & Teaching-Learning aspects based on the following questions.

1. How much the curriculum outfits the need of the students?
2. How far the curriculum and the syllabus are well organized and student centric?
3. How much the curriculum is useful for the development of your personality?
4. How far the curriculum added new knowledge?
5. How will you grade the employability of the curriculum?
6. How far the syllabus was covered in the class?
7. Use of ICT tools by teachers such as LCD projector/smart board while teaching
8. How far the sessional examination helps you in improving your studies?
9. Teacher-Student relationship in the college.
10. Library service provided by the college
11. Facilities such as Light, Fan etc.
12. Drinking water and toilet facilities of the college campus.
13. Facilities for extra-curricular activities provided by the college
14. How much efforts made by the institute to inculcate skill development.
