SCIENCE COLLEGE, KOKRAJHAR

Kokrajhar, BTR, Assam, PIN 783370

C. V. Raman

Dated: 21/02/2024

NOTICE

As a part of the Celebration of National Science Day-2024 to be held on 28th February, 2024, Science College, Kokrajhar is organizing the following competitions for the students.

1. Speech Competition:

Topic of Speech: “**Indigenous Technologies for Viksit Bharat**”

The speech should contain the following theme “How the indigenous technologies and Startups is contributing for Viksit Bharat”.

2. Poster Competition along with a Slogan/Tagline:

The theme of the Poster Competition is same as the theme of NSD-2024 i.e. 'Indigenous Technologies for Viksit Bharat.' This theme aims to foster an appreciation for science, technology, and innovation among the youth while highlighting the importance of indigenous technologies in the development of Bharat. The Slogan/Tag line to be not more than Four Words.

Important to Note:

- The dimensions for the drawing sheet (Art Paper) have been laid down as 55 cm x 70 cm.
- Students are allowed only one entry, and must include their name, department, semester and contact information on the bottom right corner of their poster.

Winners for Speech and Poster Competition will be awarded Cash Prize and Certificates as a token of recognition for their creativity and their understanding of the theme.
